Terms & Conditions.

Free Diagnostic Session

We offer a free, no-obligation diagnostic session so you can experience our methodology before deciding to continue your learning journey with us.

Program & Schedule

Our programs are structured in 4-week cycles. You may select the number of sessions per week. Depending on your plan, each session lasts 40 or 55 minutes and is conducted via Google Meet (no installation required).

Flexible Scheduling

With our weekly scheduling system, you may book your sessions every Friday for the following week. We recommend securing your spot early, as availability is limited.

Advance Payment

Full payment is required prior to the start of each cycle. This guarantees your teacher's availability and secures your scheduled sessions. **For details on reimbursements, please refer to our refund policy.**

Cancellations

As payment is made in advance, your sessions and teacher's time are reserved exclusively for you. Please consult our refund policy for more information on cancellations or changes.

Validity

All session packages must be completed within the 4-week cycle purchased. After this period, any unused sessions will be considered fulfilled. We provide flexible rescheduling options to help you make the most of your program.
